

JUMPSTART YOUR COHOUSING COMMUNITY

Homework Invitation

Session 4

PRIMARY INVITATION

- If you don't have land, identify a few empty parcels on your city's GIS, and identify:
 - Size
 - Zoning (allowable uses and densities)
- If you have land already, look through the dvlpmt check list, identify which items you don't know yet, and investigate a few of them. For example:
 - Location of nearest utilities
 - Nearest transit stop
 - ...

GOING DEEPER

- Reading
 - Annotated reading from The Cohousing Handbook: working with professionals
 - Reading from Creating a Life Together: Drawing on the Cohousing Model
